

**If thinking beyond the obvious and working for some of the largest brands in the world is right up your lane, we want to welcome you to Epiphany as our next:**

## **Accountant**

### **Our Essence**

Our passion for marketing and facts has defined our mission – to inspire business decisions through consumer stories and research. It's what we like to call **Research Based Consultancy**.

At Epiphany, we do things differently. We tend to go off the beaten track in order to pave ways of reaching a satisfactory moment of an Epiphany. How do we do this? With our data-crunching capabilities and commercial mindset, we are creating impactful insights for some of the world's most ambitious and renowned brands in retail, finance, FMCG, and more. We put the consumer's voice in the center of our decision making and we strive to take research and strategy to a higher level.

### **Epiphany Needs you**

Epiphany is on the hunt for an **Accountant** to facilitate the operational weekly accounting tasks and month-end close process in order to report timely and accurate financial statements to management.

In this role, you will be responsible for AP invoicing entries, balance sheet account reconciliations, bank activity matching, and various cross-functional and accounting projects.

### **More specifically, as a part of your role, you will:**

- Participate in the month-end close procedures including completion of journal entries in Exact Online, reconciliations, and credit card transaction reconciliations
- Prepare detailed account reconciliations with flux analysis for management review
- Support cash receipts and treasury management

- Assist in the documentation of key processes and controls
- Manage accounting schedules including fixed assets, depreciation and prepaid amortization
- Assist with other technical accounting or reporting projects as needed

## **For this position, we are looking for someone who:**

- Knows Dutch GAAP and tax practices
- Possesses a keen attention to detail
- Excels at working in a fast-paced and dynamic environment
- Is self-motivated and proactive and possesses an ability to handle multiple projects
- Is able to meet deadlines on own initiative
- Performs best in a company with a strong collaborative spirit
- Has experience with Exact Online (preferred)

## **And who:**

- Has a Bachelor's or Master's degree in Accounting or a related field
- Has at least two years of accounting experience and can demonstrate the required skill level
- Communicates effectively and professionally with colleagues
- Has proficient skills in Microsoft Excel
- Has excellent proficiency in English (written and spoken)
- Is eager to work in our beautiful Amsterdam office at least 2-3 days per week (part-time position)
- Resides in The Netherlands

## What We're Offering

- The unique opportunity to have a serious impact on a growing company and our people
- Learning and development opportunities within a young, non-hierarchical and dynamic company
- A fun and diverse working place where we combine unique values and opinions of people from different cultures and backgrounds
- A working environment with the freedom to express ideas and follow through with personal initiatives
- The opportunity to work in a brand-new office in the Silicon Canals of Amsterdam
- Company benefits like lunch at the office, Friday afternoon drinks, a yearly trip and boating on the Canals when the weather allows us to
- A competitive compensation
