

Are you a Product Owner who wants to contribute to building a new and highly innovative Product? Are you looking for a dynamic job with impact, then you should be looking out for this position!

Product Owner (PT/FT)

Our Essence

Epiphany is, as we like to call it, a Research Based Consultancy. Our passion for marketing and facts has shaped our mission 'to find the human perspective that empowers transformation'. Since 2016 we are creating impactful insights for some of the world's most ambitious and renowned brands in retail, finance, FMCG and more. We put the consumer's perspective at the center of decision making and we strive to take research and strategy to a higher level. Today, we are an Amsterdam headquartered, international and fast-growing company with a team of 50+ dedicated people.

Epiphany Needs you

What makes Epiphany unique is our ability to build digital conversations with consumers around the world. For this, we developed our own platform that we now want to elevate to a whole new standard, we call it; Conversation Design™. It's guiding principle is moving away from surveys to real conversations and dialogs; imagine AI, Machine Learning and other tech innovations allowing us to better listen to what people desire in this fast changing and unpredictable world.

What you will do

- Be a bridge between the Business and software Development team;
- Responsible for co-creating and sharing the Product Vision and Product Goal;
- Communicating with the management team about progress and priorities;
- Creating and clearly communicating User Stories;
- Maximising the Value and output of the Scrum Team;
- Be available for Developers, Stakeholders for ad-hoc alignments and meetings;

What we're looking for

- BSc. / MSc. level
- A minimum of 3+ years of experience in Product Ownership
- Ideally fully certified in PSPO
- In depth knowledge and experience in Scrum and Agile working
- Inspired by working in a fast-paced and dynamic environment
- Both strategic and pragmatic
- Competencies such as flexibility, resilience, decisiveness, driver, coach and enabler
- Fluently speaking and writing in English
- Resides in the Netherlands
- Open minded to different cultures and approaches
- And excited about the entrepreneurial spirit within a successful growing scale-up company.

What We're Offering

- The unique opportunity to have a serious impact on a growing company and our people
- In 4 to 5 days a week, according to your preference
- A competitive salary according to your level of seniority
- A fun and diverse workplace. We strongly believe in the strength of combining unique values and opinions of people from different cultures and backgrounds
- The opportunity to work in an inspiring office at the Silicon Canals of Amsterdam
- Company benefits like lunch at the office, Friday afternoon drinks, a yearly trip and boating on the Canals when the weather allows us to
