

If thinking beyond the obvious and working for some of the largest brands in the world is right up your lane, we want to welcome you to Epiphany as our next:

Experienced (Research) Consultant

Our Essence

Our passion for marketing and facts has defined our mission – to inspire business decisions through consumer stories and research. It's what we like to call **Research Based Consultancy**.

At Epiphany, we do things differently. We tend to go off the beaten track in order to pave ways of reaching a satisfactory moment of an Epiphany. How do we do this? With our data-crunching capabilities and commercial mindset, we are creating impactful insights for some of the world's most ambitious and renowned brands in retail, finance, FMCG, and more. We put the consumer's voice in the center of our decision making and we strive to take research and strategy to a higher level.

Epiphany Needs You!

Epiphany is on the hunt for a Experienced (Research) Consultant to help us uncover consumer insights that are of high strategic importance to prestigious international brands such as Under Armour, IKEA, Generali, Nestlé, and more.

In this role, you will be responsible for tackling our client's challenges into concrete objectives and hypotheses. Leading projects and providing advanced and actionable marketing advice that supports our clients in their decision-making.

More specifically:

- You will work and communicate closely with our clients and their cross-team stakeholders on business and research objectives
- You will play a key role in the set-up, management and execution of global marketing research projects – both independently as well as in cooperation with colleagues
- You will engage in a wide variety of exciting projects that are tailored to the client's challenges
- You have a solid understanding of how to connect the dots: transforming data into easy to understand information through detailed and insightful reports
- You have a keen eye for spotting opportunities where Epiphany can add value

Are you the Experienced (Research) Consultant we're looking for?

For this position, we are looking for someone who:

- Understands how to leverage consumer insights as a springboard for new business opportunities to unlock further growth
- Is a skilled stakeholder manager
- Excels at working in a fast-paced and dynamic environment
- Is self-motivated and proactive and possesses an ability to handle multiple projects
- Performs best in a company with a strong collaborative spirit
- Has a Master's degree (e.g. marketing, econometrics, psychology) with profound research knowledge and interest in marketing consultancy

And who:

- Has at least 3 years of (international) work experience in the field of consultancy, marketing, and/or market research
- Has Microsoft Office Suite experience (Word, Excel, and PowerPoint)
- Is fluent in spoken and written English
- Resides in The Netherlands

What We're Offering

- The unique opportunity to have a serious impact on a growing company and our international operating clients
- Learning and development opportunities through our Epiphany Academy within a young, non-hierarchical and dynamic company
- A fun and diverse working place. We strongly believe in the strength of combining unique values and opinions of people from different cultures and backgrounds
- A working environment with the freedom to express ideas and follow through with personal initiatives
- The opportunity to work in a brand-new office in the Silicon Canals of Amsterdam
- Company benefits like lunch at the office, Friday afternoon drinks, a yearly trip and boating on the Canals when the weather allows us to
